Columbia
Christian
Homeschool
Co-op

“In the same way, let your light shine before men, that they may see your good deeds and praise your Father in heaven.”
Matthew 5:16

A Gathering of Home Educators

A gathering of home educators and their children.

The mission of Columbia Christian Homeschool Co-op is to establish a gathering of home educators and their children for the purpose of enrichment and fellowship, and to be a reflection of Christ to the community.

We understand that only by God's grace and provision will this be attainable.

We hope to accomplish this by:

- Assisting parents (who are ultimately accountable for training their children—Proverbs 22:6) by providing excellent instruction in a variety of academic, character, and creative pursuits from a Biblical Christian perspective.
- Inspiring a love for learning in a safe and respectful environment.
- Encouraging all that participate to be a reflection of the Lord Jesus Christ.

What is a Co-op?

Columbia Christian Homeschool Co-op operates as a true co-operative of homeschooling families. Each participating family must supply a parent or caregiver to be at co-op each time we meet. All members are required to work at a job, whether teaching, set-up or tear-down, administrative, etc.

What is CCHC like?

CCHC meets on Wednesdays at First Presbyterian Church in Wenatchee.

We kick off the day with a short assembly with the Pledge of Allegiance, music and prayer, then head off to age-appropriate classes for nursery through high school. We

Come for one class or all day

offer a variety of academic and enrichment classes, and families may choose to come for only one class, all day, or anything in between. For up to date information about our

current class schedule and yearly calendar, please check our website.

Kindergarten through high school

Do you offer other Activities?

We act as a support group for our families, and spread the news about all kinds of classes and activities that are offered for homeschoolers all over the valley, including weekly ice skating, ski lessons, yearly book sale, and more. We also have special activities just for members such as free swimming parties. Future goals include offering a science fair, spelling bee, competitive Mathcounts team, and NCFCA debate club.
