

HOMESCHOOL BOOK SALE AND SWAP

Wednesday, June 8, 9:00 - 2:00

Wenatchee Free Methodist Church, 1601 5th Street

To reserve a table call or email Jill Sheets

jaaoe@earthlink.net or 886-5455

Space is limited so call soon to reserve a table, if you have a smaller amount consider sharing a table with others.

It is your responsibility to set and take down your own items for sale, watch your table and have change.

THANKS, Jill for stepping up and volunteering to organize this event.

HOMESCHOOL PROGRAM AND MATH PRESENTATION

James Nickel, a Mathematics teacher and textbook writer, who is planning to move to the Leavenworth area, will be introduced to local homeschooling parents on: Thursday, April 14 at 7PM At: Susan Martin's home, 8920 E. Leavenworth Road.

James has been studying and teaching mathematics for over 25 years and is committed to Biblical, Christian education and to teaching mathematics from its Biblical foundations. He will be offering math classes this fall for grades 7 - 12 in both the Wenatchee area and the Upper Valley. Plans include offering classes each school year that will allow families to plan for the full spectrum of mathematics classes from 7th to 12th grade over the coming years.

Come hear about how students can learn a Biblical Worldview through the study of mathematics AND about an exciting project that several of us have embarked on in the area of Christian education and homeschooling.

For more information contact Daniel Eby, Leavenworth 548-3185

AN ADDITIONAL MEETING IN THE WENATCHEE AREA IS BEING PLANNED WATCH HERE FOR MORE INFORMATION.

WANTED -

I wanted to ask local homeschoolers if anyone had any experience with the phonics program Sing, Spell, Read and Write. Could you ask in the next newsletter please. Thanks.

Annette Johnson 886-1714
