

Skiers and Boarders,

I finally have the lesson dates and information for the mid-week lessons at Mission Ridge!

Lessons will begin the week of January 9, 2006 - February 25, 2006. They will be held Mondays, Thursdays, or Fridays from 10:00 AM - 12:00 PM. Thursdays seem to work the best for the most people, so that is what we will shoot for. If you absolutely can't do Thursdays, and there is enough interest for one of the other days, I will look at organizing a second group. (FYI, when a Monday or Friday falls on a holiday, they don't do lessons on that day.) Amounts listed are PER LESSON and you decide how many lessons you would like, however, you need to sign up for that number of lessons now.

Lesson Only:	\$25
Lesson & Lift:	\$34
Lesson & Rental:	\$39
Lesson, Lift, & Rental:	\$49
Helmet Rental:	\$ 3

Lesson, Lift & Rental package includes: Two hour group lesson, all day lift ticket, all day equipment rental.

Please call me asap to pick up a registration form and student behavior guideline form. I will need these returned to me with payment NO LATER THAN December 21.
