Great Expectations ~ A Framework for Homeschooling

REGISTRATION FORM?** Contact us at: (425) 697-4021 or www.EduGreat.com. ~~~~~Our 10-hour course, sponsored by Cascade Bible College, is packed with practical information as well as a unique message that has tremendous value for any homeschooling parent. This class not only meets the Washington State legal requirements for parent qualification to provide home-based instruction, but it also provides a great opportunity to begin networking with other like-minded parents who share the same excitement, struggles, questions, and fears about educating our children outside of a traditional school setting! This is what our graduates are saying: ** "Your seminar was so inspiring . . . and it left me longing for more. I cannot thank you enough for your help and information." ~ "C" from Federal Way ** "Wow! Things are going amazingly great, and your class was such a huge inspiration to me. I still think back at how much I enjoyed it." ~ "M" from Marysville ** "Every homeschooling parent should attend this course, not just newcomers to homeschooling." ~ "Too many parents to list!" GREAT EXPECTATIONS does not promote one curriculum over another. As a matter of fact, we do not recommend one method of teaching over another (natural learning, traditional, etc). We are very clear to convey that each family must decide what is best for their family. Our course is very intensive; we pack volumes into our seminar. The reason for this is that we want to give homeschooling families the most value in the least amount of time, so that they spend as little time away from their families as possible. We break up the 10-hour instruction time into two sessions -- one 3-hour Friday evening session and one 8-hour all-day Saturday session, which includes a lunch break. The instructors have homeschooled children from birth to college entrance and for many years have served the homeschooling community in Washington State, providing annual testing and assessments, teaching classes for homeschooling children and parents, and serving on boards in local and state organizations. Plan to come to be informed, inspired, and encouraged about homeschooling your children.
