THINKING ABOUT COLLEGE ???

Trinity Lutheran College decided this year that we really wanted to reach out to the homeschool community to let them know what we have to offer homeschool juniors and seniors in high school. We participated in the WHO Convention this past year, advertised in homeschool newsletters, went to seminars, and designated a specific Homeschool Admission Counselor.

We re-designed our admission process specifically for homeschool students to allow for all the flexibility the Home Based law provides homeschool families. With this flexibility, our hope is that homeschool seniors will find our application process accommodating rather than exasperating. What's more, Trinity also offers homeschool students the opportunity to take classes to be used as transferable college credit!

Although your co-op or support group may not have high school students, if you know any homeschool high school students who would be interested in a four year accredited Christian liberal arts school please pass this information along to them. To find out specifics about homeschool admission, go to [_www.tlc.edu/admission_](http://www.tlc.edu/admission) (<http://www.tlc.edu/admission>) and click on Homeschool. Call 1-800-843-5659 or email [_admission@tlc.edu_](mailto:admission@tlc.edu) (mailto:admission@tlc.edu) if you have any questions.
