

VALLEY HOME EDUCATORS NOVEMBER 2007 NEWSLETTER

Ski and Snow Board Lesson Time at Mission Ridge

Mission Ridge called yesterday and is sending packets for registration for their 6 week mid week session for homeschool students. A volunteer is needed to mail out the packets, collect them and then get them back to Mission Ridge by Dec. 20.

Lessons will start Thursday, Jan 3, 2008.

Mission Ridge has set the Dec. 20 deadline so they can ensure they have enough instructors. They will be having more school groups this year and need this extra time to get things well staffed.

I have done this in the past, as well as a few others but we need someone for this season. If you have any questions email Sandy Briggs at esbriggs@aol.com or call me at 663-0364 as soon as possible. I expect to have the packets in the next day or so.
