VHE January Update #3

REGIONAL HIGH SCHOOL ART SHOW

This relates to the information sent in the Jan. newsletter about the Wenatchee Valley Museum Art show. I included the original notice below this latest information.

Ken Vanderstoep (Omak High school) and I are trying to make a poster for the regional high school art show. It will have the show and reception dates, and location. We hope to put 4-6 examples of student work on the poster. If we get responses from everyone, we hope to make several versions of the poster so that the poster you advertise the show with will include a student from your school. Please email Ken a photograph (jpeg) of student work by Friday Feb. 8. Our goal is to have the posters sent to Bill Rietveldt at the Wenatchee Valley Museum in time for you to pick them up when you drop off work. Remember to include the student's name, school/ home school program, medium, and title of the work. Ken's email is kvanders@omak.wednet.edu. If you think we may have missed someone or a school, please pass on the message. Please email me if you have any questions.

Sincerely, Dan Brown
Okanogan High School

Regional High School Art Show

The Wenatchee Valley Museum and Cultural Center is proud to sponsor the Regional High School Art Show in cooperation with the North Central Educational Service District and the Office of Superintendent of Public Instruction each year. This year's show will be on view at the Museum March 7 through April 5, 2008. *Entries are due at the Museum February 21 through 23, 2008.* The program offers North Central Educational Service District Art Students a wonderful opportunity to exhibit their work in the professional setting of the Main Gallery of the Museum and (if their work is chosen "Best of Show") the chance to compete with students from around the state in Olympia. This year we are making a special effort to increase participation from throughout the District. We hope to make this year's show the best and biggest yet! Our ability to send student art work on to the 35th Annual Superintendent's High School Art Show "The Art of Everything", April 18 through May 28, 2008, in Olympia, is directly linked to the number of entries received for our Regional Show. Informational Packets have been mailed to every High School and Home School organization in the North Central ESD. *First of all, if you did not receive your packet, please let me know and I will get one to you right away.*

It would help in our planning if you would take a minute to reply to this email and answer

the following questions: Is your School planning to participate in this year's High School Art Show at the Wenatchee Valley Museum and Cultural Center? If you are not planning to participate at this time, is there anything we can do to help, so you will feel able to participate? Such as: arrange for pick-up of the students' art, coordinate a workshop, or ??? If you are planning to participate, how many pieces do you think you will be submitting? Thank you! I look forward to hearing from you. College Admissions Question

I am interested in talking to parents whose homeschoolers have successfully applied to and been admitted to 4 year universities about the college application process. I am particularly interested in learning about creating transcripts to indicate that admissions requirements have been satisfied. I am also interested in learning about the NCAA clearinghouse process for homeschool athletes. If you have a few minutes to share your experience, please call Nancy. 664-0110

Burke Museum Homeschool Days!
