Stanford Achievement Test, 9th Ed. Abbreviated
Administered by Alice Wescott, Ph. D.
and Beth Rosenzweig, M.Ed.

The administration of a standardized test to children receiving Home-based Instruction is governed by state law and publisher requirements. We administer the Stanford Achievement Test, 9th Ed. Abbreviated, and our team members are qualified under the publisher's specifications for administration of this test.

Why Test With Us?

(1) We offer a convenient ONE-DAY schedule, which includes:

- * A half-day group standardized test (3 hours) for grades 3-12
- * On-site hand scoring so parents can get the results THAT day
- * Same day - afternoon parent review - in order to see how each question was answered.

* Only parents receive test scores – we keep no results

(2) The test is administered in a group setting, as required for valid standardized testing.

(3) Tests are professionally scored with no long wait for the test scores to be returned.

f

(4) In addition to the SAT group test for grades 3-12, we offer a more friendly test option for younger children in grades 1-2 and for special needs children: an abbreviated assessment, which gives the parents a grade-level score for Reading, Spelling, and Math for the same fee that we charge for our group test. Parents are given these results immediately after the test.

FEE: (\$35.00 per test) If registration and check are postmarked 10 days prior to test date, pay early registration fees: 1st and 2nd child: \$30 per test; 3rd child: \$25 per test; 4th (and subsequent children) \$15 per test (Cancellation fee: \$10/test)
