PASS Test from Hewitt Homeschooling
A group order is being organized by Arlene Bergstrom.

Check out their web site for more information about the test.
www.hewitthomeschooling.com click on PASS test.

The PASS Test is a non-timed, standardized test designed for students grades three through eight. It was specifically developed for home-schooling parents to administer to their students. You do not need a degree to give it. The test covers reading, mathematics, and language (which includes spelling, grammar, capitalization, punctuation, composition, and study skills on some levels).

For each student you wish to test, we must have his or her **name** and **grade level**, the **parent(s)' name(s), and address**.

Groups may obtain a discount on quantities sent to one address and returned together. Tests are sent to one address and returned as a group also. Any tests not returned on time to be sent back with the group order will be charged a \$10.00 PER TEST fee by Hewitt to score the tests.

The discount rate is as follows:

10-19 PASS Tests (group) \$23.00 each **PLUS Shipping & Handling**
20+ PASSTests (group) \$21.00 each **PLUS Shipping & Handling**

Hopefully there will be enough to get the price of \$21.00 plus Shipping & Handling **and return postage**. Shipping and handling will be 5% of the test order if we order 24 tests or more. Otherwise it will be 10% of the order amount.

Return postage to Hewitt will also be collected for the group order. This amount is not yet determined.

Contact Arlene Bergstrom to sign up by **May 23**. jabergstrom@msn.com
or 886-7541.

Your payment must accompany your order.
