## MUSIC SCHOLARSHIP

Dr. Larson, an area orthodontist in both Wenatchee and Leavenworth, is involved with the Village Voices out of Leavenworth. The Village Voices would like to award a **\$1000 scholarship to a graduating senior who is actively engaged in music**. It doesn't have to be singing, it can be with an instrument as well.

This morning, his receptionist, Linda, called me [a local piano studio] to ask me to inform the homeschool community of this opportunity because its not just limited to public school grads. So I thought I would also let you know since you have a better feel of some worthy seniors who might be interested in pursuing this opportunity.

Their email address is [BavarianBraces@yahoo.com](mailto:BavarianBraces@yahoo.com) if you'd like to have more information.
